Malone heads up new school

Preparations for the opening of Bowie began long before the August opening for new principal Doyle Malone. Decisions such as school colors, mascot, and faculty selection had to be made. Mr. Malone's contagious enthusiasm was quickly spread throughout the student body. The muddy surroundings, noisy construction crew, and unfinished building were among the many obstacles he had to overcome. His hard work and genuine spirit made Bowie's first year a success.

Deans work for students

A vice principal's job is one that deals both with teachers and students. Kenneth Greene works with teachers setting up the stage for learning, and works with young men urging them to establish good study habits, work habits, and attendance habits.
Mr. Green stays busy supervising school functions during and after school.

Miss Jane Ellis, in her new job as Dean of Girls, also has a busy job. She pursues her job with the enthusiasm of her former choir conducting years. Miss Ellis compares running her office to preparing a choir of many voices to sing. "I must use sensitivity and understanding, tenderness and beauty," she muses, "and I like it."

Sports

Dearest Leslie,

Can you believe it's been a whole 6 months since I first saw you wadding up to the bus stop? Imagine that! It's been great. I don't think I told you before, but I didn't like you when I was a Sophmore. But I must admit, you are real sweet and kind and that's good stuff but I really liked having you ride my bus. Your presence upon my bus has made this year truly enjoyable. You have brought a lot of sunshine into my life and for that I am very greatful. But I will always cherish our trip to Temple. Wasn't that great?! But maybe it'll work out better the next time. (That is if Buddy will ask for me to drive you all again.) Well, its time to go put my bus to rest. I've considered it an honor and a pleasure to have known you and I hope that we can keep in contact in the months to come. I'll at least see you in my dreams. Stay sweet and I love you.

Jeff (#141)

P.S. Ciao.

Education can result in two things:
It can make a man arrogant and so becomes
self-defeating . . . or it can broaden his horizons,
increase his understanding and get him
where he wants to go much faster.
The latter result is a fine, noble thing.

THE BEAUTIFUL CHURCH

The church is not the building; it is the people. The real church is people who are dedicated, cleansed, and committed - a people whose devotions are Christ centered. They, in a word, are Christians. They are people seeking to honor Christ in their lives.

The church is beautiful, not in proportion to the architectural quality of its member's lives. The church that meets in a beautiful building is fortunate, but the church composed of people who are living beautiful lives is blessed beyond measure.

In the olden days

Wearing a ring on the forefinger signified
a haughty spirit;
On the middle finger, prudence and dignity;
On the "ring" finger, love;
On the little finger, a masterful spirit.
Today, on any finger, your Balfour class ring
symbolizes moments and memories shared with
your classmates. Treasure them always.

Only a Penny Still Goes!

When Spartan first announced its special price of a penny a copy we knew it was a good deal. But WOW, the response we got was nothing short of fantastic, only a penny per copy plus a dollar make ready charge per original. After all, it's rather difficult to buy anything for Only a Penny. So don't delay, call 261-1411 for pick-up, or if you prefer you may bring it in and we will print while you wait.

"OUR TRAINING PROGRAMS CAN GIVE YOU A HEADSTART IN YOUR CAREER NOW.
AND HELP KEEP YOU AHEAD ALONG THE WAY."
LTP

Let's face it. Success in these promising, yet highly competitive fields, is difficult to achieve. According to industry records, for each ten persons entering the insurance field only five receive a temporary license; only three receive a permanent license; and usually one will reach the level of career success initially desired.

Here's where Leonard's Training Programs can help!

Preparation of applicants for the temporary licensing exams takes 2 days — and our programs are guaranteed. Training programs for permanent licensing exams run two to fourteen weeks and meet, or exceed, the State educational requirements. Continuing programs for career development are also offered.

INSURANCE: Life Insurance Representative (Temporary); Fire/Casualty Recording Agent or Solicitor (Temporary and Permanent); C.L.U. Insurance Rating and Policy Writing. and Insurance Adjusters

REAL ESTATE: Real Estate Salesman and Brokers.

SECURITIES: State General (SECO) Blue Sky Dealer/Salesman; Variable Annuity; NASD Registered Representative; NASD Principal, and NASD Financial Principal.

fatalistic but

Leslie,
You are one of the nicest girls I have ever met. Aside from all the cut-downs ~~you~~ you've given me this year you are really ok. I've heard a lot of people talk about you. I'm inclined to agree with them. You're what they call a FOX - Be good and I hope to see you this summer
Love
